**C. Guest:** Sandy Olson spoke with the Select Board regarding the Historical Society. The Historical Society wants to plant a tree or shrub in honor of Jan and Ron Cropley for all their years of volunteering, dedication and service to the town of Troy. It was decided that the grass in front of the town office with the cement patch would be a good location. The Select Board will have the cement removed and a planter added. Liana Walker suggested some kind of stone to be placed with a plaque. . Brian Blake volunteered to plant flowers and maintain it. Brian also requested from Sandy to join the Historical Society. The other item Sandy wanted to discuss was until the Annex building is fit for the Historical Society to move into (end of August) the Historical Society requested to use the Town Office for their meetings. \*STTS\* Aimee Nelson offered to come over on Friday, July 9, 2023 in the afternoon (that is when the next meeting is and the town office is not open on that day) and open up the office for the meeting.
